

## West Kentucky Association for Early Childhood Education

To Whom it May Concern:

On behalf of the West KY Association for Early Childhood Education (WKAECE), I am delighted to write a recommendation letter for Lillian Hubler, founder and director of *Time to Sign, inc.* Our organization was fortunate to have Ms. Hubler present as the keynote speaker and session presenter at our annual Spring Institute held on April 18, 2015 on the campus of West KY Community & Technical College in Paducah, KY.

Ms. Hubler was one of the most motivational Early Childhood keynote speakers our audience had ever seen! Her sessions invited active participation and stimulated learning through her topics on supporting effective and meaningful communication using her talent in teaching American Sign Language. The early childhood providers attending loved the “high octane” sessions that were full of laughter but also contained innovative information to be applied in their diverse settings. Most of all, Ms. Hubler understood how influential providers are in making a difference in the lives of young children through their guidance in an early childhood setting. She definitely left each attendee with new ideas and motivation to take to their classrooms on Monday morning. She was also extremely generous in giving away sign language posters, handouts, quick tips and many door prizes!!!!!!!

As a member of the planning committee for the conference which attracts professionals from the western Kentucky region, I must say Lillian Hubler was easy to work with in the planning process. She catered the presentations to the needs of our area early childhood professionals. Most of all, her prompt action in responding to correspondence/contract process in the planning was to be commended! When planning a conference to this magnitude, it was refreshing to not have to worry about the keynote speaker’s commitment.

WKAECE and the western Kentucky early childhood profession celebrate Lillian Hubler for enhancing our lives with her presentations and dedication to supporting the expansion of learning possibilities that work to benefit children. If you need further information please do not hesitate to contact: Greta Henry, Institute Planning Committee 270-534-3087 or [gghenry0003@kctcs.edu](mailto:gghenry0003@kctcs.edu).

Sincerely,

A handwritten signature in cursive script that reads 'Greta Henry'.
