

Thanks, Lillian for an amazingly fun and informative day. It is always wonderful to see and visit with you, although the time just zips by. I hope you had a nice, relaxing time in Omaha before you travel home and/or elsewhere.

Send us an invoice as soon as you get a chance for your materials we purchased.

All of our staff enjoyed your presentation and learned so much. Here are some of their comments.

- Lillian's sign language was amazing.
- Signing to music is easier to learn
- I think the sign language and using in the classroom will be valuable.
- I learned how to do sign language the alphabet, animals, and colors.
- I will use it for manners, names, numbers, and animals.
- Learned sign language basics and songs
- Most significant information gained today – Sign Language!!! (majority of comments)
- Sign language and the benefits of using it in the classroom
- I will use sign language in the class to help them gain information and learn new and different things.
- I would like to learn a complete song in sign and 10 words and will use it with the children in the classroom
- Will use it for emotions, manners, animals, simple signs
- I will use sign language by implementing signing songs, at group socialization and home visits (by a family educator who visits homes weekly)
- All of the sign language was SO much fun.
- I think that the children would really like to learn ABCs and their names.
- Loved "Who Came to School Today"
- Great presenters.
- Signing is a great way for children to use soft touches.
- I would love a video on sign/songs.
- The more you learn sign and use it , the more the children will want to learn.
- Most significant information you gained today? The fun you can have doing sign with the children.
- Time to Sign – Awesome ☺
- I loved Lillian's energy – she made signing fun!

Thanks again.
